Retirement and Savings Benefits

Retirement savings are significantly improved. Employees can build funds through the Performance Sharing Plan (PSP) 401(k), which will replace the Hourly Savings Plan Plus (HSP 401k), Hourly Capital Accumulation Plan (HCAP) and the Basic Benefit Plan (BBP). The pension multiplier also increases for eligible employees.

PENSION IMPROVEMENTS! Pension Increase Provides More Financial Security for Retirees

Your Bargaining Committee secured the highest union pension* benefit in the company. Employees who commence after Jan. 1, 2023 will receive **\$105** per year of credited service. This is an increase from the **\$102** per year of credited service in the current contract.

*Eligible employees hired before March 7, 2011.

Retirees on or After January 1, 2023

Pension benefit increases to **\$105** per year of credited service.
This equates to an increase of \$1,080 per year.*

\$37,800*

Per year upon retirement

* 30 years of credited service

Performance Sharing Plan

All employee contributions and the company's match will be based on a percentage of your weekly eligible base pay, not the flat rate that currently caps out with a \$42 company match contribution per week. Employees' HSP balances will be preserved, as all future contributions will go to the PSP.

The company will match **50%** of what you contribute up to **8%** of your weekly eligible base pay.

Employees hired on or after March 7, 2011, will also receive a Company contribution of **6%** of eligible weekly base pay into the PSP. Employees can further grow their account by increasing their unmatched contributions up to the plan maximum. By combining the Company match for PSP and the Company Contribution you have the potential to save a total of **18.0%** while only contributing 8% of your weekly wages.

PSP Delivers More than HSP

PSP Delivers More Than HSP

Based on 8% Employee Contribution

Contribute 8% to receive 4.0% Company Match

*To maximize your retirement savings we recommend contributing 8% to your PSP. This maximizes the company match and your free money.

Paid Leave and Additional Improvements

NEW: Parental Leave

160 HOURS

Employees may now request up to 160 hours of parental leave per 12-month period to bond with a newborn child(ren), newly adopted child(ren), or a foster child(ren) that has been newly placed with you. Employees will be compensated for their hourly base rate while out on an approved parental leave.

Improved Short-Term Disability

For employees commencing leave after Jan. 1, 2024, the company will provide improved short-term disability coverage of **55% of weekly earnings – NO WEEKLY Maximums!**

EXAMPLE: \$32/hr. = \$1,280/week

| Current Weekly Benefit | New Weekly Benefit |
|------------------------|--------------------------|
| 70% with Maximum | FULL 55% with no maximum |
| \$410 /week max | \$704 /week |

Expanded Bereavement Leave

Bereavement leave increases from 30 hours to **40 hours** of paid time off with an expanded definition of immediate family members.

Increased Flexibility and Career Growth

- Redesigned job placement process
 - Employees will bid to posted internal openings
 - Lateral transfers for **ALL** labor grades
 - Voluntary downgrades allowed
- Flexibility in shift start hours within all schedules with employee input
